U.S. Battery Manufacturing Company (USB) guarantees its products to be free of any manufacturing defects for a period of one-year. This limited warranty only covers defects in material and workmanship. The free replacement one-year period is calculated from the date code stamped on the battery. This limited warranty is non-transferable and the original proof of battery purchase is required. No labor or transportation expenses are included in this limited warranty. (US 1800 and all “E” line batteries carry a reduced six-month free replacement period). For RE Series warranty refer to separate warranty.

Any implied warranty of merchantability or fitness for a particular purpose shall be void and excluded subsequent to one-year from the date stamp on the battery. All batteries being submitted for warranty must be returned to the place of purchase or to a USB approved distributor for testing and evaluation. Onsite service would be available in most locations at an additional charge. Service charges will vary from location to location, distance traveled and number of batteries involved.

Replacement shall mean furnishing a new battery or used battery with sufficient life to complete the warranty term, which is incidental or reasonably equivalent to the warranted product at no cost to the purchaser during the replacement period.

Damage not resulting from a defect in materials or workmanship or which occurs due to abuse or neglect (including failure to provide reasonable and necessary maintenance), transportation, accident or alteration is excluded from this limited warranty.

All preceding stipulations pertaining to USB warranty conditions apply to the RE Series batteries. The only difference is the length of the free replacement period. The total RE warranty period is seven years.
